dc414 is proud to produce the “Know Your Rights Event” at the Candlelight Collective. The goal of this event is to educate the people and teach them how they can preserve their civil liberties during police encounters with confidence. The event will start with a viewing of the 40 minute film “10 Rules for Dealing with Police” from FlexYourRights.org followed by a few words from Waring R. Fincke Attny at Law. After which there will be time for any questions the audience might have. You can find direction and more info at
